### **DEADLINE FOR THE AUGUST EDITION IS 6am on Wednesday 27<sup>th</sup> JULY**

Input from you all would be gratefully received. At the end of the day, if you don't contribute then there is no magazine. Talking of which, a lot of you believe that you cannot send items until the deadline time and date. A deadline has to be set but you can send your information/pictures/jokes anytime and it really helps me to put things together the earlier you send your items to me. So please feel free to submit any article. It's your magazine and just so long as it is Legal, Decent and Appropriate in my eyes, it will be inserted of course.

**Please remember I can only accept word documents and NO PDF's or Photocopies.**

Call me on 01538 304560 if you need any help. Don't be late, the old rule still applies. Absolutely nothing will be accepted after 6am on the above date. **\*\*Editors decision on layout and inclusion is final.**

We look forward to seeing you there.

## **Recipe/Tip of the Month**

**More suggestions for healthier cakes:**

- Most cakes will still work out well if you omit about a quarter of the sugar. Any more and they do lose their taste a bit.
- When making a drizzle for the top of a cake, just use about a teaspoon of sugar with your lemon, lime or orange juice. You won't get the frosted topping but the taste will still be there.
- Fruit purees e.g. dates or bananas will definitely sweeten a cake as a substitute for sugar.
- Some bakers substitute honey or agave syrup. Personally, I have not tried this. It's all the same on the hips!
- Another way to make cakes more healthy and less processed is to use different flours such as wholemeal wheat or wholemeal spelt. Alternatively, blitz some porridge oats in the food processor and use to substitute half the weight of white flour in your cakes.
- Personally, I rarely put icing or frosting on a cake. A few fresh berries or some toasted coconut has a fraction of the calories or sugar.
- Finally, most cakes freeze well sliced and stored between sheets of greaseproof paper.

## Smile Once in a While...

At school, Little Johnny's classmate tells him that most adults are hiding at least one dark secret, so it's very easy to blackmail them by saying, "I know the whole truth." Little Johnny decides to go home and try it out.

Johnny's mother greets him at home, and he tells her, "I know the whole truth." His mother quickly hands him £20 and says, "Just don't tell your father."

Quite pleased, the boy waits for his father to get home from work, and greets him with, "I know the whole truth." The father promptly hands him £40 and says, "Please don't say a word to your mother."

Very pleased, the boy is on his way to school the next day when he sees the mailman at his front door. The boy greets him by saying, "I know the whole truth."

The mailman immediately drops the mail, opens his arms, and says, "Then come give your Daddy a great big hug!"

An Irishman was flustered at not being able to find a parking space in a large supermarket car park.

"Lord," he prayed "I can't stand this, if you open a space up for me, I swear I'll give up drinking me whisky, and I promise to go to church every Sunday."

Suddenly, the clouds parted and the sun shone on an empty parking spot.

Without hesitation the man said "Never mind, I found one."

My daughter was doing her homework and asked me what I knew about Galileo. I, proudly and confidently, told her that he was just a poor boy from a poor family.

A young woman was taking golf lessons and had just started playing her first round of golf when she suffered a bee sting. Her pain was so intense that she decided to return to the clubhouse for medical assistance. The golf pro saw her heading back and said, "You are back early, what's wrong?" "I was stung by a bee!" she said. "Where?" he asked. "Between the first and second hole." she replied. He nodded and said, "Your stance is far too wide."

My girlfriend just asked me, "When we go to Egypt can we go on a camel?"

I said, "As you wish," and booked it for her. She's going tomorrow...I'm leaving in three weeks and flying there!

An Amish husband, wife and son travel to the city on vacation. They visit a shopping mall and while the mother is shopping, the father and son are standing in awe in front of an elevator (having no idea what it is). As they watch, an elderly lady walks into the strange silver doors and the doors close. The father and son watch as the numbers go up, and then back down. When the doors open, a beautiful young woman walks out. The father leans over and whispers to the son, "Son, go get your mother!"

## Queen's Platinum Jubilee

What a wonderful time was had by all! Huge thanks to Ann Colclough, Notty Hornblower, Sue Lovatt and Sylvia for their hard work on The Seven Decades of the Queen display of Costumes, Memorabilia and Flowers in St Peter's Church, and to Angela Campbell for organising the refreshments. Thanks also to Martin Snodin for the lovely selection of photos of people and activities in the village of the seven decades, and to Martin and the History Group for the Alstonefield 1952 exhibition in the Village Hall.

Wonderful to hear the Bell Ringers ringing their special peal, thank you. The Platinum Jubilee Book has entries from some villagers; there is still time to add your note for the queen if you would like to. We are also adding copies of the wonderful entries of the Jubilee art work; thank you Margaret Sharples for organising that. Thanks to Ann Morgan for the flowers around the War Memorial, on the village green and outside the village hall. The Jubilee Picnic was relocated to the village hall and was a lovely event with the Jubilee mugs for the children, the bench on the playing field, a toast to the Queen and lots of great food and chat; thanks to Marie and Charlie McIlroy. The Jubilee Wakes service and concert in The Manor garden was thoroughly enjoyed on a lovely breezy afternoon; many thanks to Jo and Rob Wood and the Warslow Silver Band.

## St Peter's Church

We will do some more fundraising over the next few months as the roof of the North porch needs fixing, as well as a few more maintenance tasks. If anyone is walking in the churchyard we would be very grateful if you could pull a few weeds from the French drain around the church.

Following a survey of the church windows we would now like to clean the church windows on the inside; we wondered if any readers might offer to join a little working party to tackle this? We need to use de-ionised water and soft cloth only. Please contact Carrie O on 310453.

## The Seven Decades of the Queen - St Peter's Church, Alstonefield

A special thank you to the volunteers who created a wonderful display of flowers, costumes and memorabilia and also to the volunteers who provided refreshments over the four-day Platinum Jubilee long weekend. Thank you also to the visitors and supporters for making this an enjoyable and successful community event, raising £1,179 for the upkeep of our cherished church.

## "AVETS Remember"

## St Bartholomew's Church

How beautiful our church looked for the Civic Service on 5<sup>th</sup> June. Thanks to Jackie Sumerling, Jacqui Salt and Barbara for decorating in the theme of red/white/blue. Although the attendance wasn't as we had hoped, we still enjoyed our service albeit with an 'incapacitated' Vicar who apparently had been racing with the children up the hill to Ipstones beacon and had 'come a cropper'.

A plan has come to fruition in the last month. The gnomon (sticky uppy bit) on the sundial atop the remains of the medieval cross near the church porch has been replaced.

Since finding evidence that a sundial had been installed in the early 1700's, it was a present-day mystery as to where it was exactly. Without the gnomon one would have had to climb the three steps at the base of the cross to see what was left of it. It then became a 'mission' to get the sundial restored. With full funding from South West Peak Small Heritage and Landscape Scheme, masterminded by Catherine Parker-Heath, the Butterson History Group adopted the sundial.

A sundial restorer, Alastair Hunter, was found, a faculty completed, and Alistair arrived from Edinburgh to remove the base plate. He returned to Edinburgh and within 24 hours he was emailing me (Maggie) with a discovery. On the underside of the plate, after cleaning it, he had found some Gothic script. In translation, it didn't really make any sense as it seemed to have been a scrap of brass cut from a much larger monumental brass. Moving on..... thanks to the help and super sleuthing of some historians we now know it was cut from the original monumental brass to Bishop Robert Purslove and was in Tideswell Church until the original brass was replaced in 1705. From evidence found at Stafford Archives a few years ago, a document tells of 7s 6d being paid to Joseph Slack who replaced a gnomon in 1789. On the same document it seems the sundial was first installed at Butterson in 1714. Great excitement here and I feel a booklet coming on !

By the time this Newsletter goes to press our new church gates will have been fitted. An anonymous & generous donation has made this possible. Thanks also to Kevin Edge and the team at Iron Age Designs, Leek for their skill and craftsmanship.

## Church Repairs

As mentioned previously, we have a BIG problem with water ingress in the church tower which has led to all kinds of problems. Plaster has to be stripped from the walls and replaced and storm proof mesh fitted to the windows high up in the steeple.

You may have missed hearing the bells. That is because one of the bell ropes got soaked and had to be replaced and the other ropes were removed in order to keep them from getting damaged. We have had the architect in to

survey the damage and sadly he has quoted a figure of £50 K to get it fixed. This has hit us very hard. Over the past few years we have been unable to have our usual number of fundraisers. We now need to put our thinking hats on and come up with some good ideas. Please let Churchwardens Maggie or Barbara know if you have something that will bring in some cash. Obviously, we will be looking for grants but we will not get grant funded for the whole amount.

With all this in mind we are holding our Gift Day and Songs of Praise service on Sunday 24<sup>th</sup> July at 6pm. In the past we have attached Gift Day envelopes to the Newsletter but as the Newsletter is now distributed electronically, we don't have that facility. If you can make a donation then any PCC Member will be only too pleased to collect/accept. Just let a Churchwarden or Jackie Sumerling our Treasurer know.

### **Queen Elizabeth's Platinum Jubilee Celebrations**

Whoever thought to plan two events on consecutive nights needs to be spoken to !!!

Having started preparations earlier in the week (thank goodness!), we held a Pie and Pea Supper on Thursday for 70 people. The evening commenced with the meal, progressed to a quiz arranged by the History Group and then we all toasted the Queen as the beacon was lit. The evening ended with prize giving for the quiz winners and the raffle was drawn.

Following a quick turnaround, it was Jubilee Bingo on Friday. 28 people attended and fun was had by all. There was an attempt to have a Jubilee themed array of prizes but the prices that were being charged for commemorative items etc prevented this from happening. Nevertheless, the prizes were of exceptional quality and there was a cash flyer and raffle to help finish the evening off. Oh, and another toast to Her Majesty.

### **Butterton W.I.**

14 members enjoyed a Jubilee themed Afternoon Tea at the Village Hall on Tuesday 14<sup>th</sup> June. We tucked into an excellently prepared pre-packed picnic and tea/coffee. The best bit was no washing up ! It was a lovely afternoon and we all thoroughly enjoyed each other's company. The next meeting is at 7pm on Tuesday 12<sup>th</sup> July at the Village Hall.

### **Our Village was Suitably Adorned Too**

## MESSAGE FROM THE BUS SHELTER

Thank you to everyone who has used the Bus Shelter shop and has given money or stuff. We never stop being delighted by the positive feedback and the popularity of the project for both locals and visitors.

In May, we started collecting for the costs of the Pulse Oximeter needed for the First Responders ambulance; we have wizzed past the target of £400, and will be making a donation of at least £700 to WACFR in July.

The extra money will pay for new batteries and pads for the onboard defibrillator, amongst other necessities.

We continue to ask for suggestions for local causes that we can support. We have had the following suggestions:

**Manifold Pre-School** in Warslow; this is a charity run by parents

and needs local fundraising to carry on and is highly regarded. It is the closest childcare setting for the village. Butterton is in the catchment area for Manifold School which the pre-school feeds in to.

**Pat Wood's Leek Home for Strays**, usually still called 'Pat Wood's' as it was known for so many years until her passing. They help to find new forever homes for cats and also support their owners with veterinary care and neutering.

Please give us your feedback on these plus any new suggestions via FB messenger, phone or 'on the street' as soon as possible. All names are kept confidential.

Please keep the bric-à-brac and books coming! As ever, the Bus Shelter clientele are a picky bunch; some stuff just sits in the Shelter using up valuable space and in the end we have to dispose of it.

**So PLEASE don't leave:**

**Clothing, DVDs & CDs, Jam Jars, Egg Boxes, Out of Date Travel Books, Encyclopedias etc  
Nor Anything that is 'Grubby or Dirty'**

***Thanks again to everybody for your contributions and donations.***

## **Butterton Annual Village Wakes.**

We are pleased to say the Butterton Annual Wakes will take place August Bank Holiday Monday. It will follow a similar format to last year with some improvements. We will have the exciting addition of a local Arts & Crafts fair in the Village Hall alongside our usual children's entertainment, stalls, games, live music, fabulous food and the beer & cider festival

As you know the Wakes requires volunteers, cake/scone donations, donations of auction, tombola or raffle prizes to make the day successful and the more the merrier so please could I ask if you would be willing to volunteer even for an hour – on or before the day or donate then please let any of the committee know.

We will keep you updated with more details about the day as we get closer and if anyone can display a poster, please let me know. If you have any feedback or ideas the please do contact me on Kim Kirby 07816 840486.

Please also check out our events page on Facebook.

## **Elkstones News – July 2022**

It feels great to be back into some form of routine with the Village meeting up again. Several of our regular residents have moved on but it has been nice to welcome the newcomers and to be able to show them "life in Elkstones"

### **Jubilee Celebration**

Father John and Mrs Nicola Pepper from Buxton presided over a simple Service followed a marvellous spread of refreshments – many thanks to Myrtle for organizing this Celebration and to all the other people who helped to prepare the Church, tidy the Village, and contributed to the refreshments

We also presented a Royal Mint Jubilee Sovereign to each of the Village Children still at school as a lasting momento. Several grandparents joined in to present Sovereigns to their Children as well.

### **Elkstones Wakes**

At last, the Elkstone Wakes are back with Ashbourne Town Band followed by our usual Beef & Baps from Myrtle and Des, Raffle by Liz M, Tombola and Bar by Peter and Hazel. The Church was full with about 30 people and we raised about £350.

Many thanks to Myrtle and Liz for organizing the evening and to everybody who came along to help, to contribute, and to support us

### **Cleaning**

Thank you very much to several volunteers who have joined our team so that the Rota is much lighter. Thank you also to Des, Roland, and Mark for strimming and tidying the Churchyard and lane outside

## Harvest Festival

Sunday, 18<sup>th</sup> September, at 7pm in St John's followed by the Harvest Sale on Monday 19<sup>th</sup>, details to follow....

## Apologies

As you can see above Elkstones is back in action – but I am still struggling so I apologise for any errors and omissions. Lots of people have done so much work to get our Village up and running again so it is very frustrating being unable to join in and help. Sorry if I missed you out !

**Ed's Note:** Elkstonians, don't be shy and submit, straight to me, any items you might have. Anything witty, an unusual birthday/wedding or absolutely anything of note, just let us know. Just so long as it is legal and decent give it a whirl and give Rob a bit of a breather whilst he fully recovers.

## **News from Ilam C of E (VA) School: May 2022**

We have been making the most of the drier and warmer days at school. We are so blessed to be situated in such stunning surroundings.

This term has been busy with many of our children taking part in the national statutory tests as set out by the Government. All the children have shown incredible tenacity, diligence, and resilience. We are so proud of them!

Last week, we welcomed many dads and grandads for our annual Father's Day lunch. Miss Lisa cooked a delicious "All day breakfast" with ice cream for pudding! It has been so special to have been able to hold all our special meal events this year after 2 years of restrictions.

Y3-6 visited Parwich for another cluster sports event with other local schools. This event was rounders and was enjoyed by all with good sportsmanship and teamwork been demonstrated by all the children taking part.

Miss Rouse and her gardening club have been busy keeping our garden area and pots around the school looking beautiful. The children have sown seeds and are enjoying watching them grow!

We've also had a visit from Mrs Longson from Lichfield Diocese. She led an activity afternoon where Y3-5 learned about different aspects of Collective Worship. The children had opportunities to respond to imagery, read bible stories, draw pictures and have time to reflect and look around the church and its surroundings. They will continue to work at considering ways they can lead worship at school.

Please do look at our website [www.ilam.staffs.sch.uk](http://www.ilam.staffs.sch.uk) or our Facebook page [www.facebook.com/ilamprimary](https://www.facebook.com/ilamprimary) which showcases many of the learning activities we provide for our children.

## Rogation Walk

On Sunday 22nd May, we had the rogation walk which started at St. Paul's Newtown just after 10am and was to finish at St Lawrence church, Warslow. Although the forecast stated it may rain, we were lucky in that the weather, thankfully, turned out to be a sunny day.

Along the way, we stopped several times to say a prayer or psalm to give thanks for our beautiful countryside and to witness the beauty of nature. Although it was quite muddy at times, we all enjoyed walking mainly in fields and on designated paths. We arrived at our destination just over three hours later to be welcomed with a cuppa, scone, and cake.

Afterwards we had a short service which included Holy Communion officiated by Rev. Nicola Pepper. So, thank you Nicola for the lovely service and Judy for kindly providing and giving us much needed refreshments.

## Reapmoor Displays

We recently attended the Thursday morning service at St. Paul's, Newtown, and after the service, we looked at bygone days of local families past and present. It was a joy to see the history and look back at life during a different era, this was originally presented at the recent Queen Elizabeth II Jubilee celebrations and thankfully was extended.

## Queen's Platinum Jubilee

We had a service of thanksgiving for the Queen's reign- this was a fitting tribute to a life of duty. Thank you to Rev Nicola Pepper for the service and the excellent and meaningful sermon. Afterwards we enjoyed a luxurious buffet – thank you to Margaret Massey, Judy Prince and Rachel Moorcroft for their hospitality and support.

## Flower Festival

We have decided to move away from the traditional August date, for the Flower Festival, as too many of our valued contributors are away. Therefore, the provisional date will be the first weekend in September – please contact Emma Gould to confirm your participation. Thank you in advance. This is a chance for the whole community, new and old, to join together for an enjoyable event.
