Input from you all would be gratefully received. At the end of the day, if you don't contribute then there is no magazine. Talking of which, a lot of you believe that you cannot send items until the deadline time and date. A deadline has to be set but you can send your information/pictures/jokes anytime and it really helps me to put things together the earlier you send your items to me. So please feel free to submit any article. It's your magazine and just so long as it is Legal, Decent and Appropriate in my eyes, it will be inserted of course.

Please remember I can only accept word documents and NO PDF's or Photocopies.

Call me on 01538 304560 if you need any help. Don't be late, the old rule still applies. Absolutely nothing will be accepted after 6am on the above date. ****Editors decision on layout and inclusion is final.**

The Staffordshire Historic Churches Trust was founded in 1953 with the aim of helping churches with the cost of repairs. Ride and Stride is the annual sponsored event in aid of county Historic Churches Trusts all over England. It takes place this year on Saturday September 10th. Participants are sponsored by family and friends to visit as many churches as they can between 10am and 6pm. In 2021 85 churches took part in Staffordshire, 43 of them sent out cyclists, walkers and drivers. 21 of them cycled, 13 walked, 4 drove, and 2 used public transport. Last year the event was still reduced due to the corona virus but nevertheless over £10,000 was raised. Gift Aid will increase this amount. The money is used to make grants to churches for repairs and essential maintenance. Half the money raised by each cyclist/walker is returned to their home church. As well as having the aim of raising funds for churches in need of help, Ride and Stride Day gives the opportunity to get out and about and admire our wonderful heritage of churches, many of which are normally closed, apart from times of worship of course. A trophy is awarded each year to a participant; this year it will be to the cyclist or walker who visits most participating churches. It is also a special day of fellowship for all those taking part – whether you are welcoming visitors to your church or going out on your bike or on foot to visit other churches. It is a very practical way to remind ourselves that we are part of something much bigger than our own building and our own congregation. So please think about taking part – as a cyclist, walker, welcomer, sponsor – and enjoy the day.

Three blonde men are stranded on an island. Suddenly a fairy appears and offers to grant each one of them a wish.

The first blonde asks to be intelligent. Instantly, he is turned into a brown-haired man and swims off the island.

The next one asks to be even more intelligent than the previous one, so he is turned into a black-haired man. The black haired man builds a boat and sails off the island.

The third blonde asks to become even more intelligent than the previous two. The fairy turns him into a woman, and she walks across the bridge.

My sex change operation from male to female went really well yesterday.

In fact, it was so successful, I'm still trying to reverse out of the hospital car park...

This is the true story of George Phillips of Meridian, Mississippi, who was going to bed when his wife told him that he'd left the light on in the shed. George opened the door to go turn off the light but saw there were people in the shed in the process of stealing things.

He immediately phoned the police, who asked, "Is someone in your house?" and George said, "No," and explained the situation. Then they explained that all patrols were busy, and that he should simply lock his door and an officer would be there when available. George said, "Okay," hung up, counted to 30, and phoned the police again.

"Hello, I just called you a few seconds ago because there were people in my shed. Well, you don't have to worry about them now because I've just shot them all." Then he hung up. Within five minutes three squad cars, an Armed Response unit, and an ambulance showed up. Of course, the police caught the burglars red-handed.

One of the policemen said to George, "I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

A mate of mine has just been sacked off the dodgems. But he's doing them for funfair dismissal.

#### **Mary Jephcott**

"I was one of the many people who filled the church for the funeral of Mary Jephcott. I sensed so much love in the building for such a very special lady.

My connection to Mary was my late Aunt Ann, aka Sister Veronica Ann! I've been phoning Mary once a month since Aunt Ann died in January 2018. I think the telephone conversations helped us both as a link to keeping Ann's memory alive.

Mary and Ann met when they worked together as nursery teachers in Dikonyaneng, Place of the Lambs, in Orlando, South Africa in the early 1950's which was run by The United Society for The Propagation of The Gospel, USPG. It was here where they met Rev Trevor Huddleston. They also worked with Monica, who also became a lifelong friend to Mary and Ann.

Mary took great delight in telling me that weekly they took it in turns to empty the bucket it and chuck it type of toilet in their accommodation! It was during their time here that Ann got her calling from God.

Mary told me that she heard my grandfather, Sir Edward Fellowes, say to Trevor, "I've got three daughters and the only sane one is becoming a nun!"

It was Mary who drove Ann to Tymawr Convent in Monmouthshire in 1956, the year I was born, as my grandparents were too upset to take her. It was Mary who took a photo of Ann dressed in her habit and wimple! It was Mary who got wrong from Mother Superior for taking this photo because it was forbidden as Ann was entering the enclosed order where back then they were allowed no material items! Mary kept this photo for all these years and gave it to me when I visited her last year.

Mary kept regular contact with Ann and when Ann became Mother Superior nearly 20 years later, she relaxed the rules and gave the nuns two weeks holiday a year! Ann spent one week with us and the other week with Mary, usually on Iona.

It was lovely to hear Aunt Ann mentioned as being a familiar sight around Alstonefield when she came to visit Mary. Because Ann only had a week to visit myself, my five siblings, my mother and her other sister, she never spoke about her time in South Africa as she wanted to hear everything about us and our families so it's been wonderful hearing from Mary all about their time together.

Mary asked if I'd read the book "Cry the Beloved Country" written by Alan Paton in 1948. I said no and she recommended that I read it as although it was fictional it was a near to true account of life near Johannesburg in South Africa where they worked! Well, I bought a copy off Amazon and read it! I was gob smacked to realise the

danger that was all around them. I told Mary that I think it must have been their naivety that kept them safe which she had to agree with!

Mary, Ann and Monica were Angels! They all had such amazing lives - giving so much of themselves and always being genuinely interested in people. They are now all reunited again.

If anyone is interested in seeing Ann reminiscing on line, if you Google Legasee and type in Sister Veronica Ann you will see and hear her! Most folk did one video - Ann did 7! Mary loved listening to these during her last few weeks.

It was lovely meeting so many of you at Mary's Wake at the Village Hall. I hope to return for what would have been Mary's 100th birthday next year.

*My sincere best wishes to you all, Roella Trudgill"*

## **St Bartholomew's Church and the Wakes Weekend**

As I write, there is much to report regarding the upcoming activities in Church and a lot of people are working away in the background preparing for August Bank Holiday Monday Wakes Day.

St Bartholomew's Feast Day and the Wakes Day festivities go hand in hand. Traditionally St Bartholomew's Feast Day is celebrated on 24<sup>th</sup> August. Originally it marked a Harvest Feast for shepherds and farmers. The earliest known record found to date is one of a Feast Day being held in the Black Lion in August 1842, the day when the three men and a boy lost their lives in the mineshaft disaster in the area of Coxon Green (see plaque in Church). The next bit is very difficult to write as I have to put it in the past tense even though as I write, it hasn't happened yet !!!! Here goes.....

**Butterton Wakes** was on Monday 29<sup>th</sup> August. Last year was very covid aware. This year, whilst still treading carefully and through lessons learned last year, the Wakes promised to be a fun filled, action packed day. We welcomed Charley Garnett as our Wakes Queen 2022. More details about the happenings on the Day in the next issue.

On Saturday 27<sup>th</sup> and Sunday 28<sup>th</sup> we held the **Jam Jar Flower Festival and Afternoon Tea**. This was welcomed last year so we thought we would repeat it this year, plus it's a lovely way of decorating the Church for Wakes. There was also a raffle for the Tower Fund. More details in the next issue. Another attraction over the Wakes weekend was the **Scarecrow Festival**. Sponsored by the Parish Council, the theme was 'All Things Royal'. Pictures for all the above events will be posted on Butterton-A Doubly Thankful Village Facebook page.

All monies collected by donations for items taken from the Bus Shelter from 1<sup>st</sup> August until the end of 2022 are going towards the Tower Fund. The PCC is extremely grateful for this very welcome income. Please visit the Bus

Shelter....There must be something there that you cannot live without!

## **STOP PRESS.....**

Trying to write in the past tense about events that will have been done'n dusted by the time you read your Newsletter is very difficult!

Firstly, the Jam Jar Flower Festival. I think you will agree if you attended the Wakes Service in Church on the Monday, that the sight and smell of the flowers were amazing. A beautiful display dedicated to our loved ones. Such a lovely way of decorating the Church at Wakes-time. We had a steady flow of visitors for the Afternoon Tea and all donations and proceeds will go towards the upkeep of the church.

Congratulations to the Raffle prize winners. Thanks to all who made the event possible. Really appreciated.

**Scarecrow Festival.** Well, what can I say that hasn't been already said! Some amazing entries. The winners were.....1st prize - Kim and Darren Kirby, Sarah and Mike Stone. 2<sup>nd</sup> Prize - Jane Kalnins, Trish and Jon Hewitt. 3<sup>rd</sup> Prize - Heather Goodwin. Carole Hudson won the Scarecrow Draw. Thanks go to all entrants for their 'All Things Royal' scarecrows. Thanks also to the Parish Council for providing the prizes.

Having witnessed the construction and de-construction of The Wakes Event, a HUGE THANK YOU should go to the Wakes Team headed up by Kim and Darren Kirby. Kim and Darren knew little of what a Butterson Wakes was when they moved to Butterson but they have given of their time and expertise to make it such a fantastic Wakes yet again. Thank you, the pair of you.

A **Community Meeting** will be held at 7pm at the Black Lion on Wednesday 14<sup>th</sup> September, in order to discuss fundraising and ideas towards St Bartholomew's Tower Restoration.

There is a **Benefice Away Day** at Ilam Hall planned for Saturday 17<sup>th</sup> September. Everyone is welcome to attend. Please contact Rev Jane asap if you would like to come- 07771 556391/jane@janeheld.co.uk The day starts at 10am and finishes at 4pm. Lunch is provided.

There is a **Deanery visit to Lichfield Cathedral** planned for Saturday 1<sup>st</sup> October. Again, contact Rev Jane for more details or to book a seat.

Put this in your diary.....St Bartholomew's **Harvest Festival** service 6pm on Sunday 9<sup>th</sup> October, followed by **Pie and Pea Supper and Auction of goods** on Monday 10<sup>th</sup> October. More details to follow.

**St Bartholomew's PCC** would like to acknowledge and thank the family of Eddie Mollatt for a legacy received from his estate which will be used as the first deposit towards the Tower Restoration Fund. Eddie, as most of you will know, lived at Back Lane and then moved to Hartington with his wife Margaret.

### Butterson Village Wakes Summer Festival

Monday, August 29<sup>th</sup> saw the return of the annual Butterson Wakes. The Wakes Queen Church Service was held in St Bartholomew's Church and conducted by the Reverend Jane Held followed by the traditional march to the Village Hall accompanied by the Warslow Silver Band.

We saw the retirement of our Wakes Queen Faith Renshaw who has done a fantastic job over the last year and crowned the new Wakes Queen Charley Garnett who already made a start with her fundraising. Thank you, Faith

for all your hard work and fundraising efforts and an updated total will be given in next month's newsletter.

Building on the success of last year we continued with an outside marquee including a mini-Beer & Cider Festival hosted by Matt and Hannah at The Black Lion Inn, thank you both for all your support. Special thanks to Manifold Valley Meats for the donation of the Hog Roast, we are very grateful for your generosity. Also, in attendance special thanks to Buxton Mountain Rescue, Sally Stickland - First responders, the steam engines and not forgetting our local classic tractors. The evening played out with the fabulous Racoons who certainly got people up and dancing.

As always events like this cannot take place without support from our local community, a huge thank you to all those who volunteered, donated cakes/prizes, brought raffle tickets and came along to celebrate with us. We will update in the next edition on our fundraising efforts.

Special thanks for the great photos captured during the day goes to Cliff Salt, who always does a sterling job.

### **Message From the Bus Shelter**

School holidays has always been a good time for the Bus Shelter, with plenty of good quality bric-à-brac given and taken. Thank you to everyone who has contributed in this way and to our customers who have given money in the collection tin.

During July, we collected for **Manifold Pre-School** in Warslow; this is a charity run by parents and cannot exist without local fundraising. It is the closest childcare setting for the village. Butterson is in the catchment area for Manifold School which the pre-school feeds in to. We have sent them an amazing £443.25 which they have acknowledged with gratitude. This amount

includes direct donations, and items sold on-line.

From August we are collecting for **The Church Tower Repair Fund**. Many villagers take the view that the church is a village asset, and have asked that the funds raised will be directed exclusively to the repairs and will not contribute to Church of England coffers. We will abide by this and update you on progress.

Please keep the bric-à-brac and books coming! As ever, the Bus Shelter clientele are a picky bunch; some stuff just sits in the Shelter using up valuable space and in the end we have to dispose of it.

**So PLEASE don't leave:**

**Clothing: DVDs & CDs: Jam Jars: Egg Boxes: Out Of Date Travel Books: Encyclopedias etc.**

**Please make sure Electrical or Mechanical items work and label them 'WORKING ORDER'. The Bus Shelter is unable to test equipment, and we will be obliged to remove anything which is potentially dangerous along with anything that is dirty or grubby.**

**Thanks again to everybody for your contributions and donations.**

Butterson Parish Council very generously decided to sponsor a Platinum Jubilee clock. It is now in situ on the end of the History Centre building at the Village Hall. Major electrical works continue, working round our Hall hires. We

plan to refurbish our oldest piece of play equipment using a £1,000 grant awarded to us by Tesco. Although a generous amount, it will not buy us a new piece of equipment so we plan to put new rungs in the ladder, new hand holds on the climbing wall and replace the tyres and nets. We originally applied for a grant from Tesco in 2019 but were told we were unsuccessful, so this has come as a welcome surprise.

A new boiler has been installed in the History Centre and an under-sink water heater in the Bar Area in the Main Hall. Thank you Graham.

Also, a cheese stone is in place on top of what was the old well. This has come from Daphne and Derek Salt's house- Greenlow, and has been donated by Julie and Rich in memory of their parents.

**A Macmillan Coffee event** will be held at Butterson Village Hall on Friday 23<sup>rd</sup> September. More details from Hilary Bassett 01538 304219

### **Butterson W.I. Workshop Project**

The Butterson workshop took place in mid-August 2022 at the local village hall. The workshop was led by invited ceramicist [Sue Blatherwick](#) of The Art Barn, Longnor and by Emma Dawson Varughese, the lead artist of Knotted Identities. The two artists worked with Butterson Women's Institute exploring ideas of belonging to the Staffordshire Moorlands and the landscape and topography of Butterson.

### **Thought for this Month**

We seem to be returning to our old routine at last with the Harvest Festival and Sale this month and then starting the Christmas plans. Don't the years go fast!

### **Events this Month**

Our Harvest Festival will be held at 7pm on Sunday, 18<sup>th</sup> September, with the Harvest Sale on Monday 19<sup>th</sup> at 8 pm. There will be Myrtle's Pea and Pie Supper and (we hope!) Liz M's Raffle in aid of Church Funds following the Service. All contributions of goods, prizes, and donations will be extremely welcome – please contact Rob on 01538 300509 or Myrtle on 01538 304225.

Several people have come forward to help with the Flowers and Cleaning Rota (thank you very much!) but **we need lots of people to decorate the whole Church for Harvest Festival – give Myrtle a ring and join us on Saturday 17<sup>th</sup>.**

Thanks also to the small team who have been mowing the Churchyard and tidying up around the Gate and Approach to the Church – it makes such a difference !

**On the Saturday we also need lots of Produce to decorate the Church** (and to auction on Monday) and plenty of prizes for the Raffle to be drawn on Sunday evening following the Service.

As always, we hope that lots of our neighbours from the Benefice and surrounding Villages will also come along to join us.

### **Mary Jephcott**

We were sad to hear of the recent death of Mary Jephcott of Alstonefield at the great age of 99. She was a wonderful character and leaves a big gap. When she was still able to get about, Mary always supported our little church in Elkstones and for many years brought Holy Communion to the elderly people in our village. While she could still see to drive, she was a welcome visitor to Edna Ash at Rose Cottage, and when she could no longer manage in the car, she brought the Communion by bus to Mary Deaville at Overdale. The number of people attending her funeral and Commemoration Service on the 17<sup>th</sup> August was a testament to how many people's lives she touched, both here and in Africa where she taught for many years. She will be greatly missed by many.

### **Cliff (d.2012) and Veronica Lawrenson (d.2022)**

Cliff and Veronica were a big part of Elkstones for many years. They bought Grove House in Elkstones in the early '70s, as a base for when they needed to be away from their job as 'live-in' wardens at Hartington Hall Youth Hostel, and also as an eventual home for retirement. They and their 2 children, Fiona and Alistair, were a big and lively part of Elkstones. On retirement Cliff and Veronica moved into Grove House permanently, living for the beautiful garden that they had made, but in 2011 moved south to live closer to their now grown-up children. Cliff sadly died in 2012, and with Veronica's recent death, they were both returned for burial on August 15<sup>th</sup> in Elkstones Churchyard, and are now together in the place they loved.

### Ilam Church Sunday Lunch

What a gorgeous lunch, amazing location, fabulous team work, super weather, and an extremely generous group of diners. It was great to see so many local faces both past and present as well as friends all together catching up and having a lovely time. Our thanks also go to everyone who cooked, helped, donated draw prizes, sold draw tickets, served drinks and food, cleared up, washed up (thank you Jo for the use of Dovedale House). A truly lovely day.

Thank you also to the Dovedale Sheep Dog Trials Committee for the use of the marquee which made an ideal venue.

One of the highlights of the day was a presentation to Bob Sellers to thank him for his many years of service in mowing Ilam churchyard - and to wish him well in his retirement - thank you Bob for all your hard work.

As a result of all your generosity an amazing £1,333 for Church Funds. ***Thank you very much everyone.***

**Church Yard:** Thanks to Steve and his team of mowers for keeping the Church Yard looking in such good condition. Also thank you to Sean and Louise for all their hard work and dedication in caring for and maintaining the churchyard path- it is a credit to you both. Also, a big thank you to Sean's workplace for kindly donating a yard brush -it is very much appreciated.

### **Flower Festival**

As noted, we have decided to move away from the traditional August date, for the Flower Festival, as too many of our valued contributors are away.

Therefore, we will be holding the Festival from 2<sup>nd</sup> September 2022 to 4<sup>th</sup> September 2022. Our theme will be Queen Elizabeth II – a walk through her decades of reign.

The Festival will be open to all, regardless of faith or non- faith – everyone is welcome. If you are interested in taking part we would love as many as possible from the community to join in, *however they want to* – young and old alike – come along with your friends or a group of children with their parents can do a display.

We will open with our usual Friday night Quiz and light buffet, please contact Emma for a ticket. Please confirm any dietary requirements. We will hold an Afternoon Tea on Saturday afternoon at 3 p.m. – book early to avoid disappointment – a selection of homemade sandwiches and savouries with fresh cream cakes will be available. Again, please confirm any dietary requirements and contact Emma.

Our Flower Festival will end with a Songs of Praise on 4<sup>th</sup> September 2022 at 5p.m. – please come along to enjoy this joyous finale.

Please call Emma, on 01298 687190 to confirm that you will be taking part, or make an offer of help – baking cakes, manning the Church, by making a monetary donation or donate a raffle prize or Tombola items. We are very grateful for any support and look welcome to welcoming new faces and our regular valued contributors alike.

***Thank you in anticipation!***

### **Harvest Festival 11th September**

Please come along to our Harvest Festival Service at 6:30 p.m. on Sunday 11<sup>th</sup> September and join in our celebrations.

Laura & Matthew sincerely thank everyone for their company, gifts and good wishes and for helping us make our wedding day an occasion we will always remember

### **Children's books wanted!**

The little free library near the churn stand on Leek Road in Warslow is in need of good condition books that your kids no longer read. I am moving house in two weeks but Marie on Stacey Close nearby has kindly offered to take over the running of it. The adult section is very well stocked, but we must say 'no thanks' to large hardbacked books and old travel books and atlases. They take up space that could be used by novels which are really popular. Happy reading!
